

Maine ARP Child Care Stabilization Fact Sheet

1,500 Child Care Programs in Maine have already Received American Rescue Plan Stabilization Support, Impacting up to 46,400 Children

ARP's historic investment provided Maine with \$73.2 million for their Child Care Stabilization program. The program has been critical to helping child care centers and family child care providers remain open or reopen, keeping child care workers on the payroll, and ensuring families have reliable options for high quality care while they work. Child care programs are mostly small businesses and are essential for families, communities, and the economy.

The ARP Child Care Stabilization program has been an unprecedented lifeline for the child care sector that helped parents return to work and spurred economic recovery. So far, more than 200,000 child care programs serving as many as 9.5 million children have received assistance across the country from this program.

In Maine:

- Providers in 100% of Maine counties have received funds.
- 790 child care centers that received stabilization payments most commonly used them to pay for rent and mortgage payments to help ensure their doors stayed open.
- 710 child care family homes that received stabilization payments most commonly used them to pay for rent and mortgage payments, typically their largest operating expense.
- On average, child care centers have received an award of \$57,000 and family homes received \$12,700. The final award sizes are expected to increase as payments continue through 2022.
